

Day 34 - Friday 22nd May 2020

Hi FAB 5s! Can you believe that it's the final day of this half-term already? Where did it go? Here are your last tasks and challenges so read them carefully, enjoy each one and have a great week off!! **Remain a proud learner!**

Subject	Task	
Maths	Basic Skills 5. Time to take another break from White Rose Maths to test all your skills. As always, read the questions carefully and do the working out! The answers are on the website.	
English	I'd like you to write a letter to me telling me all about your time off school. What have you enjoyed the most? What hasn't been quite so great? What have you really missed about being in school? Which year groups would you have sent back if you were the Prime Minister and why? You know that I'd have chosen Year 5 (honestly!) so would you have done too? There are lots of things for you to consider so have a think and then show me your best writing skills as you explain. Write a different paragraph for each point you make to keep them all clear. I'm looking forward to reading what you write.	
ILP - Beast Creator	Well, as it's the last day of the half-term it has to be FREE FRIDAY! Choose any activity you like for this one. Maybe revisit one you enjoyed earlier or try something completely new; the choice is yours so make sure that it's something you'll enjoy.	
Physical	Pick another activity from Isolation Games week 5 and give it your best shot.	Join in with the Joe Wicks 9.00am School Workout on YouTube.
Challenge	Quiz 6 - General knowledge. It's time for another mixed bag of fun to challenge the whole family. Enjoy! Answers will be on the website tomorrow.	

Good luck, enjoy and stay safe!
