Maple Curriculum Map Autumn 2

Art & DT

In our Art & DT Lessons we will be:

- Learning about Anni Albers, a German textile artist
- Using weaving to create a pattern
- Learning how to sew a simple stitch

Science

In our Science Lessons we will be:

- Thinking about materials and their properties
- Noticing and describing how things move, using simple comparisons such as faster and slower
- Thinking about suitable purposes for materials

Geography

In our Geography lessons, we will be:

- Identifying key human and physical features of a location
- Learning how to understand the main compass points
- Devising and following simple maps

Music

In our Music lessons we will be:

- Learning about voice, including pitch
- Listening to 'I got you' (funk music)
- Preparing for our Christmas Play

Maths

In our Maths lessons we will be:

- Using our number bonds to 10 to identify number bonds to 20 and 100
- Identifying fact families using addition and subtraction number sentences
- Adding and subtracting one and two-digit numbers across 10
- Identifying a range of 2-D and 3-D shapes and their properties

English

In our English lessons we will be:

- Learning to write a poem based on 'Strange' by Valerie Bloom
- Thinking about rhyme
- Revising how to use commas within a list
- Writing and punctuating questions and exclamations correctly
- Considering features of a narrative

Computing

In our Computing lessons we will be:

- Learning to use simple spreadsheets
- Copying, cutting and pasting totals to add amounts

P.E.

In our PE Lessons we will be focusing on:

- Developing our stamina, co-ordination, balance and flexibility in our Fitness lessons
- Exploring Outdoor Adventurous Activities in Forest School

RE

In our RE lessons we will be learning about:

- Christianity: Why Christmas is important to Christians.

PSHE

In our PSHE lessons we will be focusing on:

- Relationships: Family, Friends and Anti-bullying
- Using our new 'Kapow' scheme to explore important themes and questions
