

## Day 24 - Thursday 7<sup>th</sup> May 2020

Hi FAB 5s! It's the 75<sup>th</sup> anniversary of VE Day tomorrow so I've included some ideas and activities to help you remember and celebrate it. Feel free to do your own things too or instead if you've already planned something. Whatever you do though, **be proud of our heroes** and have a great day!

Subject	Task	
Maths	Week 2, <b>Lesson 4 - Percentages as fractions and decimals</b> . Maths played a key role in helping us to win World War II so practising and developing your maths skills is a great way to start VE Day! <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a>	
English	Choose the appropriate level star reading comprehension to learn all about VE Day. The answers are there too so make sure that you don't look at them until you need to mark your work.	
VE Day creativity	Make something that's red, white and blue. It could be bunting, pompoms, rosettes, a paper chain or a party hat. Colour in the attached picture of a Union Jack flag and then display it in your window, along with anything else you make, for everyone to see.	
Physical	Go for a walk, run or bike ride and see how many red, white and blue things you can find! Or, make yourself a target or obstacle game in the garden using red, white and blue objects as the targets or obstacles.	Join in with the Joe Wicks 9.00am School Workout on YouTube. Everyone's doing it!
Challenge	How many words can you make from the letters in 'Victory in Europe Day'?	

Good luck, enjoy and stay safe!
