

Spellings

(please practise these in your handwriting book)

other	money
mother	cover
brother	honey
nothing	discover
Monday	wonder

Can you include your spellings in a sentence?

Hello Year 2! Well done for working hard yesterday. I hope you enjoyed your home learning activities. Here are your tasks for Tuesday
Miss Clement 😊

Maths

I hope you enjoyed the White Rose Maths lesson yesterday. Today we are continuing our work on fractions and focusing on week 1 lesson 2 'recognise a half'. You can find the lesson, activity sheet and answers here <https://whiterosemaths.com/homelearning/year-2/>. Remember to answer the questions as best you can, whether this is on the printed worksheet, in your home learning book or verbally.

R.E. - Ramadan

Last term we were looking at different religious festivals and celebrations in our R.E. lessons. Today we are focusing on the Muslim festival of Ramadan which is happening at the moment. Have a look at this link

<https://www.bbc.co.uk/newsround/23286976> and watch the second video further down the page called 'What is Ramadan? - 7 things you need to know'. Then have a go at this Ramadan quiz and see how much you can remember
<https://www.bbc.co.uk/cbeebies/puzzles/ramadan-quiz>

English

Hopefully you had chance to research an insect yesterday and find out lots of facts about it. Today I would like you to write your riddle. Remember a riddle gives lots of clues but doesn't give the answer away. Make sure you choose your clues carefully to leave only one possible insect. When you have finished your riddle test it out on somebody at home - can they guess your insect? I would love to see your finished riddles too!

Read aloud to an adult for at least 10 minutes. Focus on the 'prediction' questions from your VIPERS question stems today.

Joke of the day

Why do we never tell jokes about pizza?

They're too cheesy!

Think of the day

Can a tree think?
