

## Spellings

(please practise these in your handwriting book)

night	whole
knight	because
blue	so
blew	that
hole	or

Remember some of these are homophones- words that sound the same but are spelt differently. Can you think of an action for each meaning to help you to remember the spelling?

Hello Year 2! I'm really impressed with how hard you are all working at home - keep it up and remember to keep sending your work to me too! Here are your tasks for Tuesday.

Miss Clement ☺

## Maths

First warm up your brain by practising the 2 times table on 'Hit the Button' <https://www.topmarks.co.uk/maths-games/hit-the-button>. Try 'hit the question' for an extra challenge. Then have a go at w/c 27<sup>th</sup> April 'Lesson 2 - order lengths'. You can find the lesson, worksheet and answers here

<https://whiterosemaths.com/homelearning/year-2/>

## D&T - Minibeast creator

For the end of our 'Wriggle and Crawl' topic we are going to create our own minibeast. Using everything we have learnt, design your own insect. Draw a picture of it, labelling the body parts then decide on its habitat, life cycle and give it a name. You could choose to put together some of the body parts of the insects we have learnt about - think carefully about camouflage and pattern too. Create a poster all about your minibeast creation!

## English

Hopefully you had chance to watch this video yesterday and create your mind maps of adjectives.

<https://www.literacyshed.com/butterflies.html>

Today I would like you to plan what happens next in your story after the butterflies are released from the book. Where do they go and what does the man do next? Draw a story map of simple sketches with a sentence underneath each one. We will be using this plan to write our story tomorrow.

Read aloud to an adult for at least 10 minutes. Focus on the 'sequence' questions of your VIPERS question stems today

## Riddle of the day

What can you catch but not throw?

## Did you know...?

Your ears and nose keep growing for your entire life!
