**Rainbow Challenge**

Year One, let's help make people smile and remind them that we are all in this together by creating a beautiful rainbow picture to display in your windows at home.

Please use the rainbow below or make your own!

You could use colouring crayons, felt tips, paints, tissue paper or even the computer to make your rainbow.

If you would like to share your display with me then please email a photo to the school (For the Attention of Miss Barnes).

Keep Smiling Year One 😊
