

'What I Didn't Do on Holiday' Poem

by Year 4

I didn't fly a rocket ship,
I didn't go to Mars,
I didn't meet an alien friend
or dance amongst the stars.

I didn't ride a zebra
or stroke a kangaroo,
I didn't feed a lion
or sleepover at the zoo.

I didn't walk upon a cloud
or grow a cauliflower,
I didn't eat a trumpet
or climb the Eiffel Tower.

I didn't ride a pussy cat
or hangout with a sloth,
I didn't win the Lottery
or play football with a moth.

I didn't jump from a plane
or dance upside down,
I didn't ride a dinosaur
or wear my Mother's gown.

I didn't dive off a cliff
or buy one hundred baguettes,
I didn't skydive with an orange
or eat my friend Janette.

I didn't swim with a dolphin
or learn how to breakdance,
I didn't punch a honeybee
or go hopping all over France.

I didn't bounce on a train
or scuba dive off a bridge,
I didn't fight a pick 'n' mix
or blow up my Mum's fridge.

I didn't play with a cockroach
or eat meals with a pig,
I didn't race a rabbit
or do a fancy jig.

I didn't eat a table cloth
or climb a giant's tower,
I didn't knit with candyfloss
or grow a super power.

I didn't visit Disneyland
or snowboard with a pig,
I didn't eat a Pritt Stick
or grow a bean that's big.

I didn't party with a cow
or take a picture of a sock,
I didn't go fishing with a cat
or buy a new pet rock.

I didn't photo Neptune
or get stranded on an island,
I didn't climb a building
or make a friend out of sand.

I didn't play ball with an owl
or go to Egypt with a bird,
I didn't joke with Ant and Dec
or chase a crazy herd.

I didn't sing with a monkey
or play snap with elephants,
I didn't paint an aeroplane
or wear some fancy pants.

I didn't go to Hogwarts
or win at Quidditch,
I didn't become a wizard,
or catch the Golden Snitch.

I didn't build a mansion
or ride a purple horse,
I didn't hug a lion
or bathe in tomato sauce.

I didn't stroke a crocodile
or play at Kenilworth Road,
I didn't swim with turtles
or break a magic code.

I didn't play with a dinosaur
or dance with a glowing fairy,
I didn't swing with the monkeys
or visit a bear that was scary.

I didn't ride a pink flamingo
or jump from a plane,
I didn't climb a rainbow
or eat a dirty crane.

I didn't visit China
or play hopscotch with my brother,
I didn't do my homework
or any sewing with my Mother.

I didn't swim with a stingray
or hop with a kangaroo,
I didn't go to summer school
or make a stinky goo.

I didn't eat a dozen oysters
or open a restaurant with Gran,
I didn't win an Olympic gold
or learn to drive a van.
