Growing together, Learning forever

Monday 22nd January

Dear Parents/Carers,
NSPCC's *Speak out. Stay safe.* programme

I am pleased to inform you that we are participating in the **NSPCC's *Speak out. Stay safe.* Programme** this term. '*Speak out, Stay safe*' is a programme for children aged 4-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which will be delivered to the whole school, alongside NSPCC volunteer led face to face workshops for children in Year 2, Year 5 and Year 6 which will take place on Wednesday 14th February. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy. If you would like to know more about the *Speak out. Stay safe.* programme visit www.nspcc.org.uk/speakout.

Feedback survey for pupils aged 7-11

The NSPCC would like to gather feedback from pupils aged between 7-11 about the *Speak out. Stay safe.* programme to gauge their learning. **This will be voluntary and children can still take part in the programme if they don't take part in the survey.**

- All survey questions are multiple choice and focussed on the programme.
- The survey is anonymous and confidential. However, if in the process of completing the survey, a teacher becomes concerned for a pupil's welfare (e.g., through something a pupil says) we will follow our school's safeguarding procedures.
- If you **do not** want your child to take part in the **survey**, please let your child's class teacher know.
- If you have agreed that your child can take part in the survey but your child changes their mind on the day, that is also okay.

Additional NSPCC resources for families to help keep children safe

The NSPCC have shared some important information below on wider NSPCC resources and support to help keep children safe.
