

Day 33 - Thursday 21st May 2020

Hi FAB 5s! Wasn't it hot yesterday! I hope you stayed safe and enjoyed the sunshine as well as your tasks. Here are today's so read them carefully and again, try your best with each one. **Remain a proud learner!**

Subject	Task	
Maths	Summer term, Week 3 (w/c 4 th May), Lesson 4 - Calculate perimeter https://whiterosemaths.com/homelearning/year-5/	
English	1. Groovy Grammar 7 2. Read to yourself for at least 15 minutes 3. Write 5 questions about the section of your book you've just read. (Remember to use the correct punctuation and your best handwriting). Types of question could include retrieval, vocabulary, explanation or prediction. If you can, give your book to someone and ask them to answer the questions. Make sure that you know the answers!	
ILP - Beast Creator	Last week you built a bug hotel for some of the different minibeasts that live on land or in the air. Today, I'd like you to find out about minibeasts that live in or on water. If you have or had a pond in your garden, what species of minibeast could you find there? Do you think that more live under or on top of the water? How many can you find? Draw a picture of a pond and label the different minibeasts that live there.	
Physical	When it gets a bit cooler in the day, go for a walk or bike ride. Make sure that you raise your heart rate to keep your fitness up. Stay safe too.	Join in with the Joe Wicks 9.00am School Workout on YouTube.
Challenge	Multiplication challenge	

Good luck, enjoy and stay safe!
