

D&T

In D&T this half term we are going to be working on creating our own Roman chariots.

Science

We will continue to learn about our teeth, the digestive system and what a food chain is in our topic 'Animals including Humans'.

Geography

In Geography we will be learning all about rainforests, exploring the climate, habitat and ecosystem of these.

Music

We will continue to develop our ukulele and singing skills with Mr Trueman.

Maths

This term half we will be learning about time, shape, statistics and position and direction.

Cedar Class Curriculum Map Summer 2

English

We will develop our English skills through: writing an explanation text about the digestive system; reading and answering questions on different genre texts; learning new spelling words and rules.

Computing

In our ICT lessons we will learn about Artificial Intelligence: what it is, how it can help us and what it means for the future the children will grow up in.

P.E.

In P.E. we will be developing our skills in both tennis and athletics this half term.

R.E.

This half term we will focus our learning on the big question 'how and why do people mark the significant events of life?'

PSHE/French

In PSHE we will learn about managing change. In French we will be learning about holidays and hobbies.
