

Art/D&T

During this half-term, we'll develop our painting skills whilst creating a piece inspired by Salvador Dali.

Science

In Science, we'll be learning about Living things and their habitats. We'll describe how living things, including plants and microorganisms, can be classified into different groups.

Geography

We'll be comparing the East Midlands and The U.K. with North America. We'll look in detail at the geographical features of the USA.

Music

In this unit, children will be listening to a range of music with varying time signatures.

Maths

In maths, we'll be developing our place value knowledge with numbers up to 10,000,000. We'll also develop our skills with the four operations.

Computing

During our Computing lessons, we'll be developing our coding skills and learning how to use spreadsheets to present information effectively.

P.E.

In P.E., we'll develop our invasion games skills by playing tag rugby and working on our communication skills in Forest School.

Year 6 Curriculum Map

Autumn 1

English & Reading

This half-term in English, we'll be developing our grammar and writing skills whilst writing an adventure narrative based on Kensuke's Kingdom and learning about modern poetry through rap. We'll also continue to develop our reading skills through weekly reading lessons with various types of texts.

R.E.

In our R.E. lessons, we'll be debating whether creationism and science are conflicting or complimentary.

PSHE/French

In PSHE we'll be looking at managing change and relationships. In French, we'll be learning how to ask for directions around a town.
