Village Litter Pick

A date for your diary

Friday 2nd March 3.15pm-4.00pm

A huge thank you to our special superheros, Lilly May, Ellen, Joesph, Sophie, Emily, Sophie and Ryan, who all gave up their time after school on our last litter pick to help support our Ravenstone Community. With the help of adults the children collected 14 bags of litter.

More details and counting sheets can be found on the RSPB website:

<https://www.rspb.org.uk/getinvolved/activities/birdwatch/>

or on our school website in Curriculum News/ Greenteam/ Big Garden Birdwatch 2018. Our school library has a number of birdwatching books filled with photos and information, available for loan.

Woodstone's next Foodbank collection will be in the Summer Term. Please look out for details of items that are most needed. Thank you.

Next Big Garden Birdwatch 27th-29th January

THE BIG BATTERY HUNT IS BACK

Last year Woodstone took part in a trial battery recycling campaign run by Duracell. One of only 50 schools taking part, Woodstone's efforts contributed to an amazing 80,000 batteries. Duracell are looking to roll out the campaign nationally and as part of the national campaign Duracell's aim is to involve not just schools, but the wider community.

This year the campaign would love pupils to encourage their parents, sports groups, local businesses and public spaces like libraries to get involved too – after all, every battery collected will help to reduce waste across the country.

The Woodstone Green Team will champion the campaign with a launch assembly; there will be class prizes for the greatest number of batteries collected and on completion of an entry form, children will be entered into a national competition with some great prizes. The closing date for entries is 25th April.
