

D&T/ Art

In our D&T lessons we will be making a seasonal fruit crumble with Mrs Clinch. In Art we will be developing our painting skills.

Science

We will learn about electricity, including: how we use it in our everyday lives; common insulators and conductors; simple circuits.

History

We will learn about Ancient Greece, including how people lived, what they believed in and how their legacy influences our lives today.

Music

We will develop our musical skills by learning to play the ukulele.

Maths

We will learn about: place value up to 5-digit numbers; comparing and rounding 4-digit numbers to the nearest 10, 100 and 1000; adding and subtracting with and without exchanges; recalling times tables to 12 x 12.

Cedar Class Curriculum Map Autumn 1

English

We will develop our English skills through writing an adventure narrative and a biography; reading and answering questions on different genre texts; learning new spelling words and rules.

Computing

We will further our understanding of technology and computer systems in relation to their hardware and software.

P.E.

We will assess and develop our fitness levels and broaden our invasion-game understanding through the game and skills of football.

R.E.

We will develop our understanding of the Holy Trinity and what this means for Christians.

PSHE/French

In PSHE we will learn about our rights, rules and responsibilities. In French we will learn about the places where we live.
