

## Spellings

(please practise these in your handwriting book)

wrap write  
wreck wrong  
wrestle wrote  
wrinkle wrong  
wren wrist

Can you put your spellings into a sentence?

Hello Year 2! Well done for working hard yesterday, here are your home learning tasks for Tuesday. Miss Clement 😊

## Maths

Today we are practising our 2 times table. How quickly can you write all the multiplication facts (e.g.  $0 \times 2 = 0$ ,  $1 \times 2 = 2$ )? Ask an adult to time you, have a break then try again and see if you can beat your time. When you have finished, you have another activity set on Purple Mash.

## Art

Today I would like you to create a self portrait. We learnt how to draw faces with the correct proportions earlier in the year. You might like to use a mirror to help you. You can use whatever media you like - paint, colouring pencils, collage or anything else you can find around the house. Make sure you tidy up afterwards too!

## Joke of the day

What do you call a dinosaur that is sleeping?

A dino-snore!

## English

Today we are thinking about developing our vocabulary. Often when we're writing we use the word 'said' but there are lots of more interesting words we can use! How many different words can you think of instead of said? Perhaps you could look through some of your books and 'magpie' some ideas? Ask an adult to email me and tell me how many you got! I wonder who can find the most?

Can you dance along to this song about fractions?

## Did you know...?

It is impossible to talk and breathe in at the same time - try it out!
