

## Art/D&T

We will learn to paint with watercolours, basing our paintings on the work of the romantic painter, JMW Turner.

## Science

We will learning about sound- how sound is made and how it is that we hear it!

## Geography

We will learn about 'Rivers', including: their features, how meanders are formed, and how/why they are important for humans and wildlife.

## Music

We will develop our musical skills by learning to play the ukulele and practising our Christmas Choir songs.

## Maths

We will learn about: Area, multiplication and division as well as practicing our times tables regularly.

# Year 4 Curriculum Map Autumn 2

## English

We will develop our English skills through writing our own poems, having regular reading lessons and daily spelling sessions.

## Computing

The children will be introduced to animation and the common techniques used by animators.

## P.E.

We will learn skills for the invasion game handball, and develop our balance and strength in gymnastics.

## R.E.

We will develop our understanding of the Holy Trinity and why this is important for Christians.

## PSHE/French

In PSHE we will learn about anti-bullying and personal safety. In French we will learn about transport and things 'on the move'.
