

## Day 19 - Thursday 30<sup>th</sup> April 2020

Hi Fab 5's! It's Captain Tom Moore's 100<sup>th</sup> birthday today so make sure that you sing happy birthday to him! Here are your tasks and challenges for today so good luck and enjoy! **Remain a proud learner!**

Subject	Task	
Maths	Week 1 Lesson 4 - Understand thousandths <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a>	
English	Earlier in the week, you had to find synonyms for a list of words and then write them in sentences. Today, I'd like you to think of 10 words and then find an antonym for each of them. Once you've done that, write a sentence for each of your original words with the antonym you chose in it as well. First of all though ... you need to find out what an antonym is so use a dictionary or the internet to find the definition. Remember, the idea is to develop your vocabulary so think carefully about the words you choose to challenge yourself. Make sure that your spelling, punctuation and handwriting are all correct too. Good luck.	
Miscellaneous	So, as I said above, it's Captain Tom Moore's 100 <sup>th</sup> birthday today. That means that he will have lived through some amazing and important moments in history. I'd like you to choose one of those moments or events to research so you can learn as much about it as you can. It can have happened anywhere in the world and be about anything; the choice is yours. Please present your findings as a poster, PowerPoint or fact file. I'd also like you to <b>explain</b> (in more than one sentence!) why you chose it please. I look forward to reading all about everything you learn.	
Physical	Look on the Home Resources 'Useful Links and Letters' page and choose another activity from the NWLSSP team's <b>Isolation Games</b> . Again, you can choose from week one or two; they're all great fun!	<a href="#">Join in with the Joe Wicks 9.00am School Workout on YouTube. Everyone's doing it!</a>
Challenge	Help to prepare breakfast, lunch or tea again. Remember to tidy up after eating it too!	

Good luck, enjoy and stay safe!
