

Art/D&T

We will learn to paint with watercolours, basing our paintings on the work of the romantic painter, JMW Turner.

Science

We will investigate materials, including: states of matter, whether gases have weight, heating and cooling and the Water Cycle.

Geography

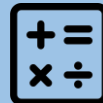

We will learn about 'Rivers', including: their features, how meanders are formed, and how/why they are important for humans and wildlife.

Music

We will develop our musical skills by learning to play the ukulele and practising our Christmas Choir songs.

Maths

We will learn about: adding and subtracting with and without exchanges, area and multiplication and division.

Year 4 Curriculum Map Autumn 2

English

We will develop our English skills through writing a biography; reading and answering questions on different genre texts; learning new spelling words and rules.

Computing

We will develop our Internet safety and Spreadsheet skills.

P.E.

We will learn skills for the invasion game handball, and develop our outdoor learning skills through Forest School and orienteering.

R.E.

We will develop our understanding of festivals, focusing on Diwali and Christmas.

PSHE/French

In PSHE we will learn about anti-bullying and personal safety. In French we will learn about transport and things 'on the move'.
