

"Growing together, Learning forever"

SCHOOL AIMS:

We aim to promote high achievement where children work independently & collaboratively

Offer broad & challenging opportunities which enable ALL children to achieve their full potential in an ever changing world by promoting equality of opportunity for ALL including between disabled and other people

Operate as a team - where Staff, Governors, Parents and members of the community recognises the importance of partnership in education

Develop high self-esteem and sense of worth alongside high standards of behaviour which will allow effective learning to take place

Strive to develop independent thinkers and highly motivated lifelong learners

Teach children an understanding of and respect for their own and other beliefs and cultures and an awareness of the wider world and the important role they have to play

Offer staff development and training - recognising the impact high quality training has upon raising standards within school

Nurture all aspects of a child's development, emotionally, academically and socially

Ensure a bright, stimulating, challenging and happy learning environment where everyone feels valued, safe and secure
