

Day 49 - Friday 19th June 2020

Hi FAB 5s! It's Friday ... and the last day of home learning!! YES!!!! Enjoy your final tasks and challenges, have a great weekend and SEE YOU ON MONDAY!! **Remain a proud learner!**

Subject	Task	
Maths	Basic Skills 8 Time to take another break from White Rose Maths to test all your skills. As always, read the questions carefully and do the working out! The answers are on the website.	
English	1. Read to yourself for at least 15 minutes and to an adult for 10 minutes. Remember to discuss the book and to find out the meaning of any new or unknown words. 2. Groovy Grammar 8	
ILP - Time Traveller	So, Free Friday again. What will you choose for your final independent activity? It can be anything from any of the ILPs we've focused on (Alchemy Island, Minibeasts or Time Traveller) or maybe you could create your own genius idea by mixing activities from all of them! Whatever you choose ... ENJOY!	
Physical	Pick your favourite 'Isolation Games' activity and see if you can beat your original score or time. I wonder how much fitter you are now than when we went into lockdown?	Remember the Joe Wicks 9.00am School Workout on YouTube.
Challenge	Quiz 9. Can you answer all the general knowledge questions this week? Do it with you family, either in teams or individually if you like. The answers are attached as well.	

Good luck, enjoy and stay safe!
