

Mathematics

- *Practise counting up from 0 to 20 and back down from 20 to 0.
- *Practise counting in 2's and 5s. Groups object's together to help you do this.
- *Explore lines of symmetry. Draw a butterfly or use the template below. Paint a pattern on one side of your butterfly. Fold it down the line of symmetry and see what happens.

- *Challenge - have a go at drawing the other half of the butterfly (see below)

Other

Go outside and make your own small world area using the everyday resources that you may have at home. Take your toys out and be as creative as possible. What different textures can you feel?

Reception

Good morning Reception! This week we are going to continue with our new topic is 'Do Cows Drink Milk?'. Can you have a go at these different activities?

Remember to keep me updated with your hard work. You can email us via the school email -

- *Are you as hungry as the Very Hungry Caterpillar? Work together with your family to make a picnic (this could be in your garden or living room). Write a list of what food you will eat.

Weekly Rainbow Challenges

Reception - these are just like the rainbow challenges we would do in our classroom. You have 5 days to try and complete these extra challenges.

Where is the horse?

See if you can search the picture for the hidden horse.
