### Maths

Please do the next Basic Skills. This will be check 8. Answers will be provided to mark your own work!

**Fluent in 5: Week 6  
Day 4.**

### English

Today we are going to build on your planning from yesterday. I would like you to create an advert for your product that you designed and come up with!

Your advert must include:

A slogan

Persuasive language

Bright colours

Imperative verbs

Be eye-catching and memorable

Maybe a song?

Give information about your product, e.g. where to buy it, how much, any special offers etc.

Have a think about adverts you've seen on TV and what works well.

Remember, the aim of an advert is to convince people to buy your product!

You can present your work however you like, written, powerpoint etc.

### History

Back to the Shang Dynasty! I would like you to research 'Oracle Bones'. What are they? What were they used for in this era? Who were they used by? You could watch this video clip for information

[https://www.youtube.com/watch?v=hR6Hb5Y\\_fIU](https://www.youtube.com/watch?v=hR6Hb5Y_fIU).

Then I would like you to have a go at making your own model of an oracle bone out of whatever materials you can find in your house. Try and inscribe some oracle bone script onto it.
