

Art/D&T

This half term we will be focusing on collage. We will practise the technique and find out about the German artist, Kurt Schwitters. Towards the end of the term we will also be learning about food with the first of our cooking sessions.

Science

In Science this half term we will be learning about the four seasons with a particular focus on Autumn and Winter.

Children will spend time looking at changes in the weather, changes in day length and changes in trees.

History

In our History lessons this half term we will be learning all about the Gunpowder Plot. We will learn about the events that happened on 5th November 1605, the important people involved and how bonfire night is celebrated today.

Music

In Music we will be doing of singing and exploring 'Voice'. Learning how to use our voices to make music.

Maths

In Maths this half term we will continue to explore place value of numbers to 10. We will also be focusing on addition and subtraction within 10 and practicing quick recall of number bonds. In addition we will be learning about 2D and 3D shapes.

Computing

In computing this half term we will be working through our 'Lego Builders' unit, learning how to follow instructions. We will then move on to our 'Maze explorers' unit.

P.E.

In P.E. we will be developing our overall fitness through planned exercise following by rest. P.E will continue to be on a Wednesday afternoon and Forest School on a Friday.

Year 1 Curriculum Map Autumn 2

English

We will continue with our Monster Phonics lessons this half term working through Phase 5, learning more new graphemes and tricky words. During our writing lessons we will be looking at poetry and our storytelling skills.

R.E.

In R.E. this half term we will be exploring the religion, practices and beliefs of Christians.

PSHE

In our PSHE lessons we will be developing our skills in working together as well as exploring diversity and different communities.
