

Monday 2nd March 2026

Pine Class have enjoyed a fantastic day out at Leicester Cathedral and the Guildhall Museum!

We began our day at the Cathedral, where the children learned all about the events of Holy Week. They acted out Palm Sunday, explored the importance of the Last Supper and Good Friday, and even enjoyed a traditional hot cross bun. After lots of exploring, we headed across the road to one of the oldest buildings in Leicestershire – the Guildhall. The children were excited to step inside the Great Hall, browse the historic library, and even take a look inside the old police cells. It was a wonderful day filled with learning, discovery, and fun. Pine Class represented our school beautifully – well done, everyone!
