

Correct the Sentence Punctuation - **Answers**

The sentences below are missing most of the correct punctuation. Carefully read them out aloud so you can 'hear' where the punctuation should be.

Then write them out correctly and neatly in your book.

The correct punctuation and the number needed are highlighted in red.

1. One warm, sunny day, Jessica and Lilly went to the zoo. When they arrived, they visited the monkeys. (7)
2. 'I like the zoo,' said Jessica. Lilly looked up and saw a monkey had stolen their lunchbox! (7)
3. 'Do we have any money to buy more food?' asked Jessica. (6)
4. Lilly replied, 'No. Now we don't have anything for lunch!' (9)
5. 'Don't worry girls,' a voice called from behind them. It was the zookeeper, who was holding their lunchbox, with a big smile on his face. (7)

When you have written the correct version of these sentences, I would like you to write at least another 5 sentences to say what happened next on their visit to the zoo. You can write more if you want to challenge yourself a bit more. When you have finished, read the sentences aloud again to check that they sound correct. If they don't, do the necessary corrections.
