Maths

Today I would like you to complete Summer Term Week 6 Lesson 2 - Subtract 2 fractions

Follow the link to watch the video:

The worksheet and answers are under the home learning tab.

English

Use your words and phrases from yesterday to draft a one verse poem about a mountain, with or without a rhyming structure.

Edit it carefully then rewrite it in the shape of a calligram.

Experiment with different shapes until you find one that you like the best.

Tomorrow you will do your best copy.

Geography

Use what you learnt yesterday to write an explanation text called "How Mountains are Formed".

Use the diagrams below (draw or stick) and write how that type of mountain is formed and an example of a mountain/mountain range for each type.
