

Day 39 - Friday 5<sup>th</sup> June 2020

Hi FAB 5s! Well done for making it to the last day of the week! Just a few more tasks and challenges and then it's time for 2 days off! Read them carefully and try your best with each one. **Remain a proud learner!**

Subject	Task	
Maths	<b>Basic Skills 6.</b> Time to take another break from White Rose Maths to test all your skills. As always, read the questions carefully and do the working out! The answers are on the website.	
English	Write a letter to yourself ... to open on your 30 <sup>th</sup> birthday! Explain what it's like living in 2020 and all the things you do. You can mention Covid-19 but don't focus on it too much because your life is made up of so much more. Write about your hobbies, friends, family, favourite things, etc. The World will be a very different place in 21 years time so it will be fun to read about what you and it were like when you were 8 or 9 years old. I wish I'd done it because things have definitely changed since I was your age!	
ILP - Time Traveller	It's Free Friday again! Choose your own activity, either something new or something you've enjoyed doing before or want to improve.	
Physical	Isolation Games again. Pick a challenge for yourself or make up one that's more challenging. Whatever you do, make sure you give your heart and muscles a good workout!	<a href="#">Join in with the Joe Wicks 9.00am School Workout on YouTube.</a>
Challenge	Can you find all the answers to our weekly quiz? It's pictures of famous faces and places this week. Do it with you family, either in teams or individually if you like. Answers tomorrow.	

Good luck, enjoy and stay safe!
