

Art/D&T

We'll be completing our Japanese collage pieces before trying to construct our own Anderson Shelter.

Science

Our topic this term is *Evolution*. We'll be discussing how species adapt to their environment through variations and how we can study these adaptations through fossil records.

History

In our history lessons this half term, we'll be completing our World War II topic. We'll also revisit our Industrial Revolution topic with a visit to Snibston Colliery.

Music

We'll be looking at some different genres of 20th century music whilst rehearsing for our school play!

Maths

In maths, we'll be using the maths skills that we've learned this year in small themed projects like bakeries and theme parks.

Year 6 Curriculum Map Summer 2

English & Reading

This half-term in English, we'll focus on creating non-chronological reports. We'll also continue to develop our reading comprehension skills by reading and discussing a range of texts.

Computing

In our Computing lessons, children will learn how to create multiple answer quizzes and about the binary code.

P.E.

In our P.E. lessons, we'll be developing our athletics skills whilst playing a variety of sports and our hand-eye coordination playing tennis

R.E.

In our R.E. lessons, we'll be learning how different religions turn to their faith to help them in tough times.

PSHE / French

In PSHE, we'll continue learning about healthy lifestyles and drug education.
