

# Make a Noise!

## Anti-Bullying Week 2023

Reception have participated in Anti-Bullying week in a variety of ways. The children started the week by wearing odd socks to celebrate all of our differences, they watched Andy and The Odd Socks new song 'Make a Noise' and created their own Friendship Recipe poster. The children thought very hard about what makes a good friend and these are the ingredients they came up with – respect, loyalty, kindness, encouragement, fun and last but not least to share lots of smiles!
