Odd Socks Day

Monday 16th November 2026

To mark the start of **Anti-Bullying Week** and this year's theme, *'Break the Silence'*, Pine Class wore odd socks to celebrate our individuality and recognise that our differences make us unique. The children also created their own pledges, thinking carefully about how they can speak up, show kindness, and support both themselves and others when faced with bullying. It was wonderful to see their thoughtful ideas and commitment to creating a positive and inclusive environment for everyone.
