

## Spellings

(please practise these in your handwriting book)

knock know  
knee knife  
knit gnat  
gnome gnarled  
gnaw knot

Can you put your spellings into a sentence?

Hello Year 2! I hope you have all had a nice weekend. Here are your home learning tasks for Monday. Miss Clement 😊

## Maths

Today we are practising two digit addition. Use a dice (or a number generator) to generate some two digit numbers and add them together using the skipping rope method. I would like you to practise 10 questions into your book then have a go at this game <https://www.topmarks.co.uk/maths-games/mental-maths-train>

## Science

We have been learning about materials in our Science lessons.

Have a look around your home and make a list of all the items you can find made of metal, wood, plastic, glass and cardboard. Draw a table into your workbook and record what you find. We will be using this information for another activity later in the week.

Have a look at this picture and write a story about it. What could happen to the characters? Remember to use capital letters and full stops as well as lots of descriptive language.

Remember to read for at least 10 minutes today

Can you solve this riddle?  
I'm hot and I live in the sky.  
I'm bright, don't look directly at me. I will disappear at night.  
What am I?

Thunk\* of the day

Can you touch the wind?

\*A thunk is a question to make you think!
