The Big Battery Hunt is Back!

Our Year 4 'Green Team' champion battery collector has kicked off our campaign by recycling 133 batteries.

The Challenge

Our Big Battery Hunt is back and we are, under the supervision of an adult, challenging children to collect as many used batteries as possible. Every child will bring a collecting box home which can be kept as a useful reminder and collected batteries can be brought to classes where they will be counted and a leader board will keep a tally of each year group's totals. Yes, there will be a prize for the year group collecting the most batteries for recycling.

Please note, cardboard, foil and paper wrappers can be recycled in your household waste.
