

Art

This half term we will be focusing on our drawing technique. We will practise using different pencils to create shade and tone to add detail and depth to our drawings.

Science

We will be doing our topic 'Animals Including Humans'. We will learn about the nutrition we need as well as about skeletons and muscles and why we need them!

Geography

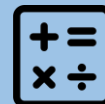

This term our topic is 'Land Use'. We will learn about the different types of maps and how the land is used in our local area..

Music

This term our topic is Music Technology, Form and Structure. We will also be learning some more pieces on the recorder.

Maths

This half term we will be studying:

- Mass and Capacity
- Fractions

Year 3 Curriculum Map Summer 1

English

Our first unit will be non-chronological reports about our skeletons and muscles in the human body. Next we will study the poem 'Out There in the Wild' and work on creating our own nature poems.

We will also continue to have our daily reading and spelling lessons.

Computing

This half term we will be learn what a simulation is and what it is used for.

P.E.

This half term we will be doing Gaelic Football on a Wednesday afternoon and tennis on a Thursday afternoon.

R.E.

'What kind of world did Jesus want?' This term's Christianity topic looks at the Gospels and teachings of Jesus.
