

Art

In Art, this term, our focus will be on sculptures and the artist Claus Oldenburg.

Maths

This half term we will be studying:

- Fractions
- Multiplication & Division continued
- Statistics

Computing

Children will learn to use Microsoft PowerPoint to create simple presentations, adding text, images and animations while developing basic formatting, organisation and digital communication skills confidently.

Science

Our new topic in Science will be Light. We will look at the concept of light reflection, look at how mirrors work, how shadows are formed and investigate what happens when you change the distance between an object and the light source.

Year 3 Curriculum Map Summer 2

P.E.

This half term we will be doing Bucket Ball and Athletics. In Athletics the children will develop their athletic skills by practicing running, jumping and throwing with increasing control, coordination and confidence.

History

We will learn about the Iron Age, from 500BC to AD43, exploring how people used iron for tools and weapons, lived in tribes, and built roundhouses and hillforts. Children will learn how the Romans ended this period when they occupied Britain.

English

This half term we will base our writing on the story 'Hortense and the Shadow' by Lauren and Natalia O'Hara, exploring light and darkness and imaginative descriptions. The poem 'I Asked the Little Boy Who Cannot See' will also be the basis of our own poetry.

We will also be having Whole Class Reading Sessions where we will focus on reading fluency, key spelling patterns and reading comprehension.

Every Friday we will have a discrete grammar lesson, focusing on the skills needed for our current writing.

R.E.

Our topic this half term looks at how we can make the world a better place. We will explore the Christian belief of the 'Golden Rule' and understanding what we can learn from the Jewish idea of repairing the world and rescuing the Earth.

Music

Our unit this half term is 20th Century Music. The children will learn key features of House, Reggae and Rock and Roll music. They will then use the features explored to compose their own music.

PSHE/French

PSHE - Our topic is Healthy Lifestyles.
French - Our topic is Time.
