Deputy Headteacher: Miss G Clement

Growing together, Learning forever

18th September 2020

Dear Parent/Carers

In order to be compliant with the General Data Protection Regulations 2018 (GDPR), we have a convenient way for you to access, review and request changes to the data held on you and your children direct from your phone, as well as see key term dates.

You will be able to access the parent app and website at your own convenience via a smartphone, tablet or PC – anytime, anywhere.

What you will find in SIMS Parent Lite:

- School term, inset dates and contact details available at the click of a button.
- Access to update your contact details, so we always have the most up-to-date information in case of emergency.
- If you have more than one child at school, you'll have access to this information for all your children from the same app.

Getting started with the SIMS Parent Lite

1. We will be sending you an activation email then you simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal email address.
3. From your smartphone or tablet, download the app from the Google Play or Apple App Store and search for SIMS Parent.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact school. It is important that you check your details straight away as the activation email will expire after 14 days.

If you require another activation email after this date then please contact school.

Yours sincerely

Mr P Mullins
Headteacher
