

Art/D&T

During this half-term, we'll be learning about and creating fibre art as part of our textiles unit.

Science

Our topic this half-term is *Animals including humans*. In this topic we'll focus our learning on the human circulatory system and the human heart. We'll look at how the heart works and how we can keep it healthy.

History

In our history lessons, we'll continue to develop our understanding of the Victorian period by learning about the Industrial Revolution and how it shaped our local communities.

Music

In this unit, children will be listening to a range of music with varying time signatures.

Maths

In maths, we'll develop our understanding of decimal places and ratios, we'll also begin to look at solving problems using algebra.

Computing

During our Computing lessons, we'll develop our use of coding and debugging whilst creating text adventures and learning about networks.

P.E.

In our P.E. lessons, we'll be developing our coordination, balance and teamwork whilst learning about gymnastics and basketball.

R.E.

In our R.E. lessons, we'll be learning about Hinduism, how people practice being a Hindu and their beliefs about karma and the afterlife.

Year 6 Curriculum Map

Spring 1

English & Reading

This half-term in English, we'll focus on developing our use of grammar, punctuation and vocabulary whilst writing poetry and persuasive speeches. We'll also continue to develop our reading comprehension skills by reading and discussing a range of texts.

PSHE/French

In PSHE we'll be learning about healthy lifestyles and drug education. In French we'll be learning vocabulary related to France, its landmarks and major cities.
