Spellings

(practise these in your neatest, joined handwriting)

improve   should
sure   would
sugar   who
eye   whole
could   any

These are all 'tricky words' that we have been learning in Year 2. Keep practising any you are unsure of!

Good morning Year 2! It's Friday already and we are one week in to our new topic 'The Scented Garden'. I hope you are enjoying the activities so far. Well done for working so hard this week.
Here are your tasks for Friday. Have a great weekend!
Miss Clement ☺

The Scented Garden

Musical Mysteries!

We have developed lots of different musical skills during our time in Year 2 and it's important we keep practising them. Have a go at these 'musical mysteries'. You will need to have flash player enabled to play the game (ask your adult to help you with this).

http://www.bbc.co.uk/northernireland/schools/4_11/music/mm/index.shtml

Can you help Robbie and Curly complete all the activities and find the lost music for Grandpa?

English

Today we are carrying on with the new book we started before half term. Read Chapter 2 of 'Max and the Pirates of Puddleton Bay' on Purple Mash. Then, have a go at the quiz, missing words and joining words activities. These are all set as 2Dos on Purple Mash.
Remember to keep reading your school books or a book from home for at least 10 minutes every day too!

Maths

It's Flashback Friday and time to practise lots of different Maths skills to keep them fresh in our brains!
There are two Maths mats for you to choose from - slide 2 is 2-star difficulty and slide 3 is 3-star. Choose whichever mat you would like to have a go at. Either print it off, answer the questions verbally or write them into your home learning book.

Year 2 Maths Activity Mat ①

Section 1
Find the missing numbers:

75 + ☐ = 100

☐ + 33 = 100

Section 2
What's my number? ❓

I have 2 digits.

I am even.

My tens digit is half of 40.

My ones number is even and between 7 and 9.

Section 3
I have 62 football cards and I share them equally between my 2 friends. How many will they each have?

Section 4
Make £3.15 using the fewest number of coins.

Section 5
What time is the clock showing?

Section 6
Write these numbers as words:

441

203

117

Section 7
Write down 2 facts about rectangles.

Section 8
I have 28 socks. How many pairs will I have?

Year 2 Maths Activity Mat

①

Section 1

Find the missing numbers:

$33 + 15 = 40 +$ ⬚

⬚ $+ 16 = 23 + 12$

Section 2

What's my number?

I have 3 digits.

I am even.

My tens digit is half of 60.

My ones number is the same as 2 x 3.

My hundreds number is double 400.

?

Section 3

I have 19 conkers. I share them between my 2 friends. How many will they each have? How many will be left over?
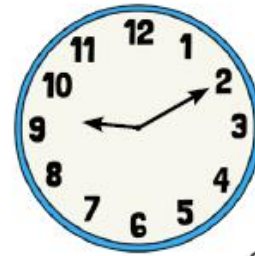

Section 4
