

Day 29 – Friday 15th May 2020

Hi FAB 5s! It's Friday again already! I hope you've had a good week and managed to keep going with your work. I know that someone of you are finding it harder as the weeks go on but hang on in there and remember - you're getting clever every day, even without me nagging!! Enjoy today's tasks and **Remain a proud learner!**

Subject	Task	
Maths	Basic Skills 4. A break from White Rose Maths today to see how all your skills are. As always, read the questions carefully and do the working out! I'll send the answers on Monday.	
English	Please read through and edit your story for spelling and punctuation. I'd also like you to choose 4-6 words to change and improve. They could be adjectives, verbs or adverbs but see if you can 'up-level' them using a thesaurus or dictionary. Make sure that you've written in a consistent tense throughout and that you've used pronouns (eg he, she, they, it) instead of the characters' names all the time. When you've finished, give it to someone else to read. I hope they enjoy it!	
ILP - Beast Creator	Choose one of the minibeasts you've learned about over the last two weeks and find out about its life cycle. Draw a diagram to illustrate each of the key stages, labeling each to explain what happens to the minibeast at that time. Write a glossary for any key words to explain their meaning.	
Physical	Pick a challenge from the 'Isolation Games' activities. Chose any one you like but if you've done it before try to beat your previous score or time.	Join in with the Joe Wicks 9.00am School Workout on YouTube.
Challenge	Quiz 5 - All around the World. It's time to test yourself or to partner up again to see who's the 'King or Queen of the World' in your house! Good luck!	

Good luck, enjoy and stay safe!
