

Dear Parents/Carers,

We've had a few parents expressing difficulty when logging on to SchoolMoney, so we've produced this leaflet to help you through the process.

The SchoolMoney website has changed so that now when you go to www.schoolmoney.co.uk you will be redirected to the new eduspot website. You can go directly to this website by going to <https://eduspot.co.uk>.

To sign in, select the 'Sign In' button in the top right hand corner of

A list will drop down and you need to select the SchoolMoney Parent Login option at the bottom. This will then send you to the login screen as normal.

If you continue to experience problems, please come into school and Mrs White and/or Mrs Clark will help you.
