

# Researching Taxonomy & Carl Linnaeus

Living Thing	Fire Salamadder
Domain	Eukaryota
Kingdom	Animalia
Phylum	Chordata
Class	Amphibia
Order	Urodela
Family	Salamandridae
Genus	Salamandra
Species	S. Salamandra

As part of our **Living Things and their Habitats** topic, we've been learning how animals and plants are classified into certain groups. In today's lesson, we've been learning about the father of modern taxonomy, Carl Linnaeus, and the Linnaean Classification Key. We researched Carl Linnaeus' history and achievements, before researching how different animals and plants are classified.
