### Maths

Today I would like you to have a go at a VE day themed activity. The sheet will be attached separately and the answers are there too! It's very self-explanatory- just read the instructions carefully. It is only a small activity, so after you have done that I would like you to go to

<https://www.topmarks.co.uk/maths-games/hit-the-button>

and have a brush up on your arithmetic skills! Have a practise on all of the options and see how quickly you can recall the number facts.

**Fluent in 5: Week 5 Day 2.**

### English

Today I would like you to solve the mystery of the missing emojis with your SPAG knowledge! It is similar to the maths mystery you solved last week, but obviously is grammar themed! You need to work through the clues to find the culprit at the end! Good luck 😊

### Art

I don't feel like we've done as much art recently, so thought this might be nice! If you can go to

[https://www.artfactory.com/drawing\\_animals/drawing\\_animals.htm](https://www.artfactory.com/drawing_animals/drawing_animals.htm) then this will lead you to

the website arty factory and some lessons about how to draw animals. Next to each animal is the medium to use to draw it, so some of you who have more materials could have a go at different ones! It's up to you which animal you choose, but try to follow the tutorial closely so you can have a more accurate drawing at the end! Upload your pictures to Seesaw so I can see what you have produced!
