

ISLE OF WIGHT 2025

DAY 3

THE  
ISLE OF WIGHT  
All England in Miniature.

Six wonders of Wight.  
The Cowes you cannot milk; the Freshwater you cannot drink;  
The Newport that will not be bottled; the Needles you cannot thread;  
The Brook that will not wet your feet; Ryde, where you walk.

ALL THIS BEAUTY IS OF GOD

**Day 3 began with the usual mixture of coco pops,  
toast and a full English!**

**We then headed off on a VERY short journey to  
Brading Roman Villa. This is a really good example of  
life in Roman times and well worth a visit if you ever  
come to the Isle of Wight. The children enjoyed a  
guided tour, sorted some artefacts and made their  
own mosaic pattern which should be sitting on your  
fireplace very soon!**

**After lunch we headed along the Sandown coast to get our wet suits and buoyancy aids from the Wight Water staff. The waves were fabulous – very exciting and almost all of the children absolutely loved it – many doing bodyboarding for the first time.**

**After a long, hot shower and a tasty meal  
we were ready for our trip to the pier –  
anyone who has ever been to Blackpool or  
Skegness will be able to imagine just what  
Sandown Pier is like – the children loved it.  
Two pences all round as we imagined we  
were on tipping point!**
