### RE

The Ten Commandments are the rules that are  
followed by Jewish people. They believe that God  
gave the rules to Moses and they are written in  
the Torah - the Jewish holy book.

Look at the PowerPoint to find out what the rules  
are.

Now write them out but reorder them in the  
order that you think are the most important,  
starting with the most important.

I have also posted an OPTIONAL wordsearch.
