<b>Learning Intention:</b> <u>PSHE</u>	To understand what rules are and why we have them.
Today we have recapped what we know about the 'The Rule of Law'. We discussed the laws we have in our country and why we have them. We recognised that laws are rules that keep us happy and safe. We then created our own classroom rules and signed our names to show we agree with them and will follow them to make the classroom a fair, safe and happy place to be.
