

## Art

Our first art topic is 'Painting'. We will explore the theory of colour and the colour wheel, as well as taking inspiration from Hilma af Klint's work to inspire our own.

## Maths

This half term we will be studying:

- Place Value
- Addition and Subtraction
- Length and Perimeter

## Computing

Mrs Edwards will be supporting us in learning all about 'Coding'. We will learn how to use flowcharts and to code, test and debug programs.

## Science

We will be learning about the exciting topic of 'Forces and Magnets'. The children will learn appropriate scientific vocabulary and investigate how magnets work.

# Year 3 Curriculum Map Autumn 1

## P.E.

This half term we will be having our Forest School sessions Wednesday afternoons. In these we will focus on lots of different skills, such as cooking and den building. We will also be doing handball on a Thursday afternoon.

## Geography

Our first geography topic will be learning about the different counties in the UK. This will involve using maps to identify different characteristics in the UK as well as understanding the difference between human and physical characteristics.

## English

We will begin by reading the story 'The Magic Paintbrush' by Julia Donaldson to inspire us to write our own traditional tales.

We will then read the poem 'The Colour Collector' by Roger McGough and have a go at writing our own!

We will also be having daily spelling lessons and Whole Class Reading Sessions where we will focus on key spelling patterns and reading skills.

Every Friday we will have a discrete grammar lesson, focusing on the skills needed for our current writing.
