

D&T

In art we will be focusing on developing our drawing and sketching skills, looking closely at the work of Patrick Hughes.

Science

We will learn about our teeth, the digestive system and what a food chain is in our topic 'Animals including Humans'.

History

In History we will be learning all about the Anglo-Saxons, exploring the religion, culture and way of life of the Anglo-Saxon people.

Music

We will continue to develop our ukulele and singing skills with Mr Trueman.

Maths

This term half we will continue our learning about decimals, learning to compare, order and round these. We will then move on to learning about money and time.

Cedar Class Curriculum Map Summer 1

English

We will develop our English skills through: writing a narrative based on the mystery story 'The Great Chocoplot' and writing an explanation text about the digestive system; reading and answering questions on different genre texts; learning new spelling words and rules.

Computing

In our ICT lessons we will learn how to use software to make music. Our e-safety focus is online communities.

P.E.

In P.E. we will be developing our striking and fielding skills in rounders with Mr Kendrick as well as our team game skills in netball.

R.E.

This half term we will focus our learning on the religion of Christianity and the celebration of Pentecost.

PSHE/French

In PSHE we will learn about healthy relationships. In French we will be learning to tell the time.
