

Art/D&T

In our Art lessons we will be developing our skills in printing, we will be looking at different artists and techniques. We will be using different materials and looking at how prints can be made in a variety of ways.

Science

This half term our Science topic is 'Animals Including Human'. We will be looking at classifying animals. Looking at their habitats and food they eat.

Geography

In our Geography lessons we will be looking at 'Wonderful Weather'. We will look at identifying weather types and understanding weather patterns. We will also be looking at different climates around the world.

Music

In Music we will be exploring 'Rhythms'. We will look at how words and syllables are used to create rhythm. We will be performing a piece and self-evaluating.

Maths

In Maths we will be developing our understanding of place value to 20. We will also be exploring addition and subtraction to 20, finding 1 more and 1 less and comparing numbers using 'greater than' 'less than' and 'equal to'.

Computing

In our ICT lessons we will be moving on to our unit 'animated pictures' using a computer. The children will complete these lessons with Mrs Edwards.

P.E.

We are swimming this half term every Tuesday afternoon, the children will be working on a variety of water skills.

Year 1 Curriculum Map Spring 1

English

We will be re-visiting Phase 5 Phonics, reading and writing words containing these sounds. We will also be developing our ability to write a variety of sentences independently. We will be writing a persuasive leaflet about an imaginary theme park.

R.E.

In R.E. we will be exploring Judaism. We will be thinking about what Jewish people believe and what difference this has to how they live.

PSHE

In our PSHE lessons we will be thinking about 'Healthy and Safer Lifestyles', where we will be looking at managing safety and risks.
