How quickly can you write all 10 of your spellings?

Hello Year 2! What a busy two weeks it has been! Well done for working so hard. Have a lovely Easter break
Miss Clement 😊

Maths

Can you complete this 100 square jigsaw using your knowledge of 2-digit numbers? There are four different puzzles - see if you can complete two of them as quickly as you can. Use the 100 square in your home learning pack to help you.

PSHE - what is important to me?

Whilst things may seem a bit strange being away from school and our friends, now is a good time to reflect and think about all of the things that are important to us. Spend some time thinking about the things that are important to you, then draw a heart shape into your home learning book and write your important things inside the heart. You might also like to make some rainbow hearts to display in your window at home.

English

For our last English activity before Easter I would like you to write an acrostic poem with an Easter theme. Remember this is poem where the first letter of each line of the poem spells out a word. This could be 'Easter', 'chocolate', 'bunny' - any word related to Easter. I wonder if you can make your poem rhyme? Please send me your poem - I'm looking forward to reading them!

Remember to keep reading aloud at home for at least 10 minutes
